	COVID-19 <i>Let's survey the field and open a discussion on current operations in the wake of a continued pandemic. Join us to take a few polls and report out on operations.</i>	Robyn Harris
	Networking Time <i>Get to know your peers. Groups will decide how to best use their time together. One suggestion is to share a recent program success that keeps you going. What motivates you?</i>	All
	AmeriCorps the Model - Mini Solution Session <i>As part of the Commission's annual training by AmeriCorps the federal agency, we were asked to participate in nation-wide solution sessions on the AmeriCorps model and current federal policies. The federal agency has a role, State Commissions have a role, and programs have a role as we work in harmony together. Listen to what we reported on, heard from other states, and help us identify your priorities. Bring your ideas for a better AmeriCorps!</i>	Robyn Harris
	Member Data/Demographics Continued <i>You heard us begin a conversation on the what/why/when/how at the annual meeting. We'd like to continue that conversation with you and go deeper into the value add and next steps. Bring your curious side so we can continue learning together.</i>	Amber Martin-Jahn
