Financial Management 2 CFR 200.302

- Everything reported in the PER should be verifiable with the General Ledger (GL) and documentation (receipts, etc)
- We reimburse actual costs incurred, not speculative or estimated costs so that is what you should report to us
- No AmeriCorps grant funds (including match) should appear as match on any other grant
- All grant funds should be indexed and segregated clearly in itemized GL-no comingling

Timekeeping

2 CFR 200.430

Special Terms and Conditions III B

Planning Grant ST&C II B

- Staff timesheets should show ALL hours worked
 - Distinguish between grant and nongrant hours
 - Among grant hours, an allocation between grantee share and federal share that accords with PER should be recorded
 - Allocate based on ALL hours--30 hours is 75% of a 40 hour week, but 60% of a 50 hour week
- Verified by employee and supervisor
- Best practice is to invoice for reimbursement of payments PAID during reporting period
- For living allowance, member hours do not scale with either actual payments or reimbursements
 - AmeriCorps State and National Terms and Conditions VIII A
