

Who are the helpers MAKING A DIFFERENCE in your community?

2020 offered challenges, Washingtonians responded.

Serve Washington invites you to share your volunteer stories and help inspire service across the state. We want to highlight the individuals, organizations and communities making an impact — from neighbors lending a hand, to the community activists and the AmeriCorps or Senior Corps who make a difference every day, especially in 2020.

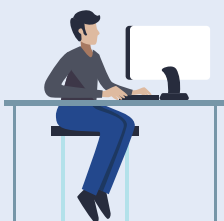

We want Washingtonians to learn about:

- Neighbors helping neighbors
- AmeriCorps, Senior Corps or other national service members serving in our state
- You or someone you know that met the challenges in 2020

We will feature selected stories on our social media during the month of April to coincide with National Volunteer Week.
